DIARY DATES.

TRAINING 14th February - Riseholme

WINTER SHOW - 21st March - Laughton Manor.

GREAT PONTON SHOW - 3rd May.

LINCOLNSHIRE SPRING SHOW - 15th May.

Firstly I would like to wish everyone a Happy New Year and a very successful 2010 showing season.

POINTS PARTY.

It was wonderful to see so many of you at the party this year. I hope you all enjoyed yourselves, any feed back, which would help with the organisation of the 2010 party, would be gratefully received. I had a lovely letter from Chelsea Foster thanking us for inviting her to present the awards - she said she felt very honoured.

POINTS CARDS.

You received your new points awards rules in the last mailing, if you need any cards please send me a SAE and I'll forward them to you.

TRAINING.

There will be a training day at Riseholme College, Lincoln on Sunday 14th February. We have been very lucky to get Lucinda Henson to come along to instruct. She is very experienced in all fields of equitation and did win the Working Hunter at our Spring Show last year. I will need to know numbers by the 3rd February to allow me to work out groupings and the timetable. There will be flat training in the morning and working hunter in the afternoon; last year some people did an

a.m. and p.m. session and found it very worthwhile.

An application form is enclosed - the cost per session is £15.00 payable upon application.

We are also considering putting on a *L.R. and F.R. training session* in the Spring if enough people are interested. Please let me know as soon as possible so that I can organise a trainer and venue.

THANK YOU.

Martin and I would like to thank those who contributed to the bottle and bouquet we received at the Points Party.

WEB-SITE.

Nick has been working very hard on updating the web-site; I think it looks great. It is now up to you to send in information and photographs to keep the content current.

SHOWS:

All venues have been booked unfortunately there has been a considerable rise in the cost of hiring Newark Show ground. We really do need you the members to go out and find some extra sponsorship to enable us to run the show as our main money earner. Any profit goes towards training and the Points Party. Rosettes

for the Points Awards in 2009 cost over £600!

TEAMS:

I would like to put forward a full range of teams at the Summer Championships this year, so please try to qualify for the Premier League. This can be done in Open classes not affiliated to the RIHS and HOYS. If you are not sure what this means don't be afraid to 'phone me for further information.

YOUNG JUDGES:

We have put Alice Barker's name forward in the Young Steward of the Year Competition. The result of this will be announced at the B.S.P.S. A.G.M. in February.

If anyone is interested in training for the Young Judges competition held at the Summer Championships please contact me as soon as possible.

HELPING AT SHOWS.

You don't need to be an experienced steward to help at our shows. If you are able to give a few hours of your time to officiate in collecting rings, taking drinks to judges or being in charge of rosettes we would be very grateful.

Please complete the help form below and return to me if you can help.

Hopefully I will see some of you out and about when the weather improves and the ponies start to lose their woolly coats. Good luck!

Sue.

At the Lincolnshire Spring Show on 15th May we need a lot of help on the WHP collecting ring. Last year's helpers did a marathon job, but if more people offer, time spent doing the job, will be less.
