SHOWS:

- The two May shows were a great success, many thanks to the committee members who helped. Only one non-committee member offered help. What happened to the rest of you? Thanks also to Kyle, Louisa and Lauren for helping to clear the jumps after the 17th May show.
- Junior Show - this is on Sunday 10th August at Great Ponton. Schedules are now available. I would be very pleased if Junior members would once again steward the classes. Also please let me know if you are able to find any sponsorship for classes at this show.
- There will be a new show on Newark show ground called Newark Showing & W.H. Show on 14th June. Please support it as they are putting on B.S.P.S. classes and it will count as a Points show.

TRAINING:

- Flat training with Katy Carter will take place on 8th August at Great Ponton starting at 2p.m. Early application for places is necessary, as this training is open to other areas.
- W.H.P. with Rachel Turner, all details as above. Applications forms are enclosed.

Dressage training is going well, the children are enjoying working with Lisa Christopher.
