DIRECTIONS

To find us by road:

Eagle Moor is situated approximately 2 miles off the A46 between Lincoln and Newark. It is actually very easy to find and to stay on the main road is by far the easiest option rather than cutting across country - with the exception of anyone coming from the Dunham Bridge direction where it is quicker to cut through Doddington village. Also from the Newark direction, it is possible for 7.5 tonnes or less to cut through Thorpe on the Hill.

From Dunham Bridge direction - at the sharp left hand bend in Doddington village, take the right turn. Then take the first right at a small crossroads and right again at the T junction. If you miss the turn at the crossroads, it is not the end of the world as the next crossroads where you have to stop is not much further. Turn right there and we are on the right just as you see the Eagle Moor sign.
